The Netherlands (Amsterdam)

Riders asked the city to consider Rider's Constitution.

Turkey

Delivery staff must carry overweight orders.

Pune (India)

Swiggy and Instamart workers went on strike over pilot pay changes.

Chicago (US)

Drivers pushed for the Rideshare Living Wage and Safety Ordinance.

Oklahoma City (US)

Uber and Lyft drivers rely on tips to pay their bills, but often don't get them.

Havana (Cuba)

Riders are independent, but platforms organize their shifts for peak demand.

Nigeria (Lagos)

Cab quality declines, costs rise, and drivers struggle. The drive-to-win insurance scheme also leaves them overworked and exhausted.

Bengaluru (India)

Urban Company workers reported difficulties under new terms and conditions.

Manesar (India)

Amazon warehouse workers face challenges such as long shifts, low pay, and heatwaves.

Nanning (China)

Meituan's delivery workers were found to be underpaid.

Issues Raised:

Low pay / High Costs

Unfair platform practices

Bad working conditions

Lack of regulation
