REGULATION

The **Labour Inspectorate** is monitoring home delivery companies Glovo and Uber Eats after discovering that their delivery drivers were **hiring foreigners without permission** to make deliveries on their behalf, in exchange for a percentage of what they earn.

REMARKABLE COURT CASES

The **Social Court of Barcelona** upholds the claim against **Clintu**, recognising 500 workers as workers.

The **Social Court nr.4** sentences **Glovo** to pay social security arrears for 280 drivers.

The **Social Court of Madrid** condemns **Amazon** for hiring 3,688 delivery workers as false self-employed workers.

The **Barcelona Social Court** orders **Stuart** to pay 237,000 euros to the General Social Security Fund for the contributions of 108 delivery workers.
